

# 2023 HANDBOOK

BETA ACADEMY

# WELCOME

Dear Scholars and Parents,

On behalf of the School Board, Superintendent, Principal, teachers, and other school staff, welcome! We wish this year to be an especially productive experience for each scholar. For this to happen, we all have to work together: scholars, parents, and staff. This Parent/Scholar Handbook is designed to help us accomplish that goal.

This Handbook contains information that both scholars and parents need for reference during the school year. We have attempted to make the language as straightforward as possible; however, a couple of words should be defined. Please be aware that the term “parent” is used to refer to the parent, legal guardian, or other person who has agreed to assume a school-related responsibility for a scholar. Also, the term “campus” is used to refer to school property as well as the geographic area within 300 feet of school property as measured from any point on the real property boundary line. Thus, to prohibit an activity on “campus” is to prohibit the activity on school property and within 300 feet of school property. Finally, the term “scholar” is used to refer to the student; one who is enrolled.

This Handbook contains information regarding school policy and procedures, health and safety, academics and grading. State Law for Scholar Code of Conduct, parental rights, as well as computer resources, electronic communication devices, and the school grievance policy.

Please be aware that this Handbook is updated yearly, while policy adoption and revision may occur throughout the year. Changes in policy that affect Handbook provisions will be made available to scholars and parents through newsletters, the school website, text messaging, and other communications. **In case of conflict between Board Policy and any provision of this Handbook, the provision that was most recently adopted by the Board of Trustees will be followed.**

Please review this entire Handbook and keep it as reference during this school year. Please take the time to look over the information provided. If you have any questions about the material in this Handbook, please contact the school office. Understanding this information will assist you in the path to success.

Sincerely,

Latisha Andrews  
Superintendent

**SECTION I**  
**GENERAL POLICIES AND PROCEDURES**

## **Attendance Policy**

Absences from class may result in a serious disruption of a scholar's mastery of the instructional materials; therefore, the scholar and parent should make every effort to avoid unnecessary absences.

### **Compulsory Attendance**

The state compulsory attendance law requires that scholars between the ages of 6 and 18 attend school and school-required tutorial sessions unless the scholar is otherwise legally exempted or excused. School staff must investigate and report violations of the state compulsory attendance law. A scholar absent from school without permission from any class, from required special programs, or from required tutorials will be considered "truant" and subject to disciplinary action.

Truancy may also result in assessment of penalties by a court of law against both the scholar and his or her parent. State law permits the school to file a complaint against the parent in the appropriate court if the scholar is absent, without excuse, on three or more days or parts of days within a four-week period. State law requires the school to file a complaint against the parent in the appropriate court if the scholar is absent, without excuse, on 10 or more days or parts of days within a six-month period in the same school year.

### **Attendance for Credit**

To receive credit in a class, a scholar must attend at least 95 percent of the days the class is offered. These days include both excused and unexcused absences. A scholar who attends fewer than 95 percent of the days the class is offered may be referred to the Attendance Committee composed of the Principal, general education teacher, Academic Coordinator or designee and the Attendance Clerk to determine whether there are extenuating circumstances for the absences and how the scholar can regain credit.

In determining whether there were extenuating circumstances for the absences, the

Attendance Committee will use the following guidelines:

1. All absences will be reviewed, with special consideration given for religious holidays, documented health care appointments for which routine make-up work has been completed, and other special circumstances as defined by the Texas Education Code.
2. For a scholar transferring into the school after school begins, including a migrant scholar, only those absences after enrollment will be considered.
3. In reaching a consensus about a scholar's absences, the committee will attempt to ensure that its decision is in the best interest of the scholar.
4. The committee will consider whether the absences were for reasons over which the scholar or parent could exercise control.
5. The committee will consider the acceptability and authenticity of documentation expressing reasons for the scholar's absences.
6. The committee will consider the extent to which the scholar has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
7. The scholar, parent, or other representative will be given an opportunity to present any information to the committee about the absences and to discuss ways to earn or regain credit.

If credit is lost because of excessive absences, the Attendance Committee composed of the Principal, general education teacher, Academic coordinator or designee, and Attendance Clerk, will decide how the scholar may regain credit. The scholar or parent may appeal the committee's decision to the Board of Trustees by filing a written request with the Superintendent. The appeal notice must be postmarked to the following address within 30 days following the last day of instruction in the semester for which credit was denied:

Beta Academy  
Notice of Appeal: Class Credit  
Attn: Superintendent  
9701 Almeda Genoa Rd.  
Houston, Texas 77075

The appeal will then be placed on the agenda of the next regularly-scheduled Board meeting. The Superintendent or designee shall inform the scholar or parent of the date, time, and place of the meeting.

### **Excused and Unexcused Absences**

The following absences are considered excused absences:

1. personal illnesses (doctor's note required);
2. family emergency (excused only by a doctor's note, or other acceptable documentation);
3. observing religious holy days;
4. juvenile court proceeding documented by a probation officer;
5. appearing at a governmental office to complete paperwork required in connection with the scholar's application for United States citizenship;
6. taking part in scholar's United States naturalization oath ceremony;
7. documented health care appointment, if the scholar begins classes or returns to school on the same day as the appointment;
8. serving as an election clerk;
9. required screening, diagnosis, and treatment for Medicaid-eligible scholars;
10. required appointment with a health care practitioner, as described by Section 1355.015(b), Insurance Code, to receive a generally recognized service for persons with autism spectrum disorder, including applied behavioral analysis, speech therapy, and occupational therapy;
11. temporary absence resulting from any cause acceptable to the Principal.

Any absence not listed above will be considered an unexcused absence. Examples of unexcused absences include, but are not limited to, class cuts, car trouble, over sleeping, personal business, vacation, etc.

### **Required Documentation of Absences**

When a scholar must be absent from school, it is the parent's responsibility to call the school office each day to explain the reason for the

scholar's absence. Upon returning to school, the scholar must bring a doctor's note (or other acceptable documentation) to the school office, signed by the parent, which describes the reason for the absence within 2 days of the absence. In order to excuse the absence, the note must:

1. be submitted to the school office within two school days of the scholar's return to school, and
2. describe an acceptable reason for the absence (see "Excused and Unexcused Absences").

### **Notification to Parents**

The school will notify the parent by mail when the scholar is absent from school, without excuse, on three days or parts of days within a four-week period. The notice will inform the parent of, among other things, the need for a conference between the parent and the Attendance Officer/Principal to discuss the absences.

### **Attendance Policy for Dual Credit**

A student not actually on campus at the time attendance is taken may be considered in attendance if the student is enrolled in and attending an off-campus course for dual credit. The Principal and Superintendent will choose an alternate attendance-taking time for a group of students that are scheduled to be off campus during the regular attendance-taking time. Examples include dual-credit students who are attending classes at another location or career and technical education students who are scheduled to be at a worksite.

The alternate attendance-taking time will be in effect for the period of days or weeks for which the group is scheduled to be off campus during the regular attendance-taking time (for example, for the semester or for the duration of employment). This alternate attendance-taking time may not be changed once it is selected for a particular group of students.

### **Cell Phones and Other Electronic Devices**

Possession and use of cell phones, computers, and other devices capable of electronic

communications at school is a privilege, not a right. Possession and use of such devices at school or school-related events or activities shall be subject to school approval and regulations (e.g. powered off and out of sight during school hours). Any such devices may be confiscated, powered on, and searched by school officials if there is a reasonable cause to believe that the devices have been used in the transmission or reception of communications prohibited by law, policy, or regulation (see “Telecommunications or Other Electronic Devices”).

### **Change of Address or Telephone Number**

When the address or telephone number of a scholar has been changed, it is the responsibility of the parent to notify the school office immediately. Proof of residency at the new address may be required. In addition, it is the responsibility of the parent to ensure the contact information is updated in the automated text messaging systems, SchoolMint & Remind 101, to continue to receive school updates.

### **Check Acceptance Policy**

All personal checks written to the school must include the current address and phone number of the account holder. The account holder’s name should also be legible and printed on the check.

In the event that a check written to the school is returned unpaid by the bank, the account holder agrees that the school may collect a return check fee of \$30. The school may contract with a collection company in an effort to redeem returned checks. The use of a check for payment is the account holder’s acknowledgement and acceptance of this policy and its terms.

### **Clubs and Organizations**

Participation in school-sponsored activities is an excellent way for a scholar to develop talents, receive individual recognition, and build strong friendships with other scholars; participation, however, is a privilege, not a right.

All in-school scholars are encouraged to participate and take an active part in scholar clubs and organizations. Scholars opting for only virtual school, must maintain remaining off-campus during the remote-elected time period.

### **Eligibility**

Eligibility for participation in many of these activities is governed by state law and the rules of the University Interscholastic League (“UIL”)—a statewide association overseeing inter-district competition or other organizations offering competitive opportunities for extracurricular activities. If a scholar is involved in an academic, athletic, or music activity governed by UIL, the scholar and parent are expected to know and follow all rules of the UIL organization.

The following requirements apply to all extracurricular activities:

1. A scholar who receives at the end of a grading period a grade below 70 in any academic class may not participate in extracurricular activities for at least three school weeks.
2. A scholar with disabilities who fails to meet the standards in the individualized education program (“IEP”) may not participate for at least three school weeks.
3. An ineligible scholar may practice or rehearse.
4. A scholar regains eligibility after the seven calendar-day waiting period has ended following a grading period or the three-school-week evaluation period when the Principal and teachers determine that the scholar has earned a passing grade (70 or above) in all classes, other than those that are exempted.
5. Only scholars enrolled at the school may participate in school-recognized clubs and organizations.
6. Written parental permission and all other medical, insurance, release, and other forms deemed appropriate by Beta Academy, the local campus and governing organizations are required in order for a scholar to participate in any club or organization that is not required for a particular course or does not result in academic credit.

### **Code of Conduct**

Sponsors of scholar clubs and organizations will follow the “Scholar Code of Conduct”—

including consequences for misbehavior—the consequences specified by the “Scholar Code of Conduct” or by local policy will apply.

For a scholar to be eligible to serve as a club or organization officer, he or she must be passing in all subjects. Unsatisfactory conduct while in office and/or failure to render satisfactory service shall be considered grounds for removal from said office. Removal from office shall be at the discretion of the staff sponsor of the club or organization with the approval of the Principal.

### **New Clubs or Organizations**

Scholars desiring to form a new club or organization shall submit a written request to the Principal at the school office, containing the following mandatory elements:

1. a statement of the club’s or organization’s purposes, goals, and activities;
2. signatures of a minimum of 10 scholars who wish to participate in the club or organization;
3. written parental permission of each scholar signatory to participate in the club or organization;
4. written agreement of a teacher who has agreed to serve as the staff sponsor for the club or organization;
5. a description of any funding or other assistance received from, or affiliation with, any nonscholar groups; and
6. a schedule of its proposed meeting times.

### **Fundraising**

The Principal must approve any plan or activity used by a club or organization for making money. Only activities that raise money through payment of admissions or where value is received for money paid may be conducted. No advertising will be sold without the approval of the Principal.

### **Meetings**

Only school-recognized scholar clubs and organizations are permitted to meet on school property during non-instructional time.

### **Yearbook**

Only school-recognized clubs and organizations will be featured in the yearbook.

### **Conferences With Teachers and Principal**

Because the Principal and teachers are busy serving scholars during the school day, they are unable to accommodate unscheduled telephone calls or in-person conferences. When parents feel it advisable to contact the Principal or teachers personally, they are encouraged to leave their telephone numbers with the school office in order that the Principal or teacher may return the call later. Personal conferences are welcome if a telephone conversation does not prove adequate. To schedule an in-person conference with the Principal or a teacher at a mutually convenient time, please call the school office for an appointment. Parents may also communicate with teachers via e-mail regarding school-related business.

### **Deliveries**

Packages such as flowers, balloons, etc., should not be delivered to the school for scholars. These will not be delivered to the classroom.

### **Distribution of Materials or Documents**

Only publications relating to school-sponsored activities or school-recognized clubs and organizations may be posted or distributed. The publication, as well as the time and location of its posting or distribution, must be submitted to the Principal for review and approval.

### **Dress Code**

The school dress code is established to teach grooming and hygiene, to prevent disruption, and to minimize safety hazards. Scholars and parents may determine a scholar’s personal dress and grooming standards, provided that they comply with this dress code.

In order to maintain an orderly environment, all scholars shall be required to meet the minimum expectations of the school dress code. Dress and clothing that unduly attracts the attention of other scholars often precipitate

comments and/or other reactions that are disruptive.

Safety, general health, and hygiene are factors that are also considered in the establishment of this dress code. The provisions of this dress code shall be enforced equally with regard to all scholars to whom the provisions apply.

The following criteria for a scholar's personal dress and grooming standards provide the minimum requirements. Refer to the Beta website for full uniform details.

### **School Uniforms**

The Board of Trustees has determined that school uniforms improve the learning environment at the school. All scholars will be required to be in full uniform each school day unless a note has been sent home to the parents stating otherwise. Scholars should leave home in entire uniform, enter school with uniform in place and maintain the uniform code throughout the entire time on campus.

Shirts and blouses must be clean, neat, ironed, and in good repair. They should be tucked in at all times while on campus.

Tears and holes in trousers, shirts, sweaters, or coats must be kept mended or patched to appear like new. Uniform items should be free of all pencil and ink marks.

Socks may be solid white for girls, black for boys. Tights or hose must be free of designs and be solid white. No leggings.

If the scholar's dress or grooming is inappropriate or objectionable under these provisions, the Principal or designee shall request the scholar to make appropriate corrections. If the scholar refuses, the Principal or designee shall notify the scholar's parent and request that the parent make the necessary correction. If both the scholar and parent refuse, the Principal shall take appropriate disciplinary action, including removal from school until the scholar is in compliance with the dress code. Decisions of the Principal or designee regarding dress and grooming are considered final. Failure to comply with the dress code will result in disciplinary action.

## **Enrollment of New Scholars**

Admission and enrollment of scholars shall be open to any person who is eligible for admission based on lawful criteria identified in the school's charter, e.g., qualifying residency and disciplinary history. The total number of scholars enrolled in the school shall not exceed the number of scholars approved in the school's charter or subsequent amendments. Applications for admission shall be due by a reasonable deadline to be set each year by the school—i.e., the close of the "open-enrollment period."

### **Lottery**

If the number of eligible applicants does not exceed the number of vacancies, then all eligible applicants who have applied during the designated open-enrollment period will be offered admission. If there are more eligible applicants than available spaces in a class or grade, then a lottery will be conducted at a time set by the school each year. A name (or number assigned to a name) will be drawn for each vacancy that exists, and each applicant whose name (or number) is drawn will be offered admission. The remaining names will then be drawn and placed on a waiting list in the order in which they were drawn.

Notification of admission will be made by telephone, e-mail, or U.S. Postal Service. Failure of a parent to respond within 48 hours of the date of the telephone call or e-mail, or within three business days of a post-marked letter, will forfeit his or her position in the lottery. Parents should call the school immediately upon receipt of the notice in order to preserve their scholar's position in the lottery.

If a vacancy arises before the commencement of the school year, the individual on the waiting list for the current year with the lowest number assignment will be offered admission and then removed from the waiting list. If an application is received after the open-enrollment period has passed, the applicant's name will be added to the waiting list behind the names of the eligible applicants who timely applied.

## **Exceptions**

Federal guidelines permit the school to exempt from the lottery process scholars who are already admitted under the charter, siblings of scholars already admitted under the charter, and children of the charter's founders, teachers, and staff that reside within the geographic boundary.

### **Residency Information**

To be eligible for continued enrollment in the school, the parent must show proof of residency at the time of enrollment, or indicate a situation that excludes the parent from providing a proof of residency on the scholar residency form (e.g. homeless). Failure to comply with this requirement will result in the immediate initiation of procedures to exclude scholars from enrollment.

Residency may be verified through observation, documentation, and other means, including, but not limited to:

1. a recently paid rent receipt,
2. a current lease agreement,
3. the most recent tax receipt indicating home ownership,
4. a current utility bill indicating the address and name of the residence occupiers,
5. mailing addresses of the residence occupiers,
6. visual inspection of the residence,
7. interviews with persons with relevant information, or
8. building permits issued to a parent on or before September 1st of the school year in which admission is sought (permits will serve as evidence of residency for the school year in which admission is sought only).

Falsification of residence on an enrollment form is a criminal offense.

### **Disciplinary History**

As provided in the school's charter, the school may exclude a scholar from admission who has a documented history of a criminal offense, juvenile court adjudication, or discipline problems under Subchapter A, Chapter 37, of the Texas Education Code. The school shall exclude a scholar from admission who has a documented history of an offense listed in Section 37.007(a) and (d) of the

Texas Education Code. As such, if it is later discovered that the scholar failed to disclose a documented history of a criminal offense, juvenile court adjudication, or disqualifying discipline problems, the school will immediately initiate procedures to exclude the scholar from admission.

### **Scholar Information**

Any scholar admitted to the school must produce records such as a report card and/or transcript from any previous school(s) attended to verify his or her academic standing within 30 days of enrollment. Verification of residency and current immunization records are also required. Every scholar enrolling in the school for the first time must present documentation of immunizations as required by the Texas Department of State Health Services.

No later than 30 days after enrolling in the school, the parent and school district in which the scholar was previously enrolled shall furnish records which verify the identity of the scholar unless a situation is indicated on the scholar residency form. These records may include the scholar's birth certificate or a copy of the scholar's school records from the most recently attended school.

The school forwards a scholar's records on request to a school in which a scholar seeks or intends to enroll without the necessity of the parent's consent.

### **Providing False Information**

A person who knowingly falsifies information on a form required for enrollment of a scholar in the school may be guilty of an offense under Section 37.10 of the Texas Penal Code.

### **Non-Discrimination**

It is the policy of the school to prohibit discrimination in scholar admission on the basis of sex, national origin, ethnicity, religion, disability, academic, artistic, or athletic ability, or the district the scholar would otherwise attend in accordance with the Texas Education Code, or any other basis protected by law.

### **Fees**

Materials that are part of the basic educational program are provided with state and local funds at no charge to a scholar. A scholar, however, is expected to provide his or her own pencils, paper, pens, erasers, notebooks, calculators, headsets, etc., and may be required to pay certain other fees or deposits, including payment of:

1. a fee for materials for a class project that the scholar will keep, if the fee does not exceed the cost of materials;
2. membership dues in voluntary scholar clubs or organizations and admission fees to extracurricular activities;
3. a security deposit for the return of materials, supplies, or equipment;
4. a fee for personal physical education and athletic equipment and apparel, although a scholar may provide the scholar's own equipment or apparel if it meets reasonable requirements and standards relating to health and safety;
5. a fee for voluntarily purchased items, such as scholar publications, class rings, pictures, yearbooks, graduation announcements, etc.;
6. a fee for voluntary scholar health and accident benefit plan;
7. a reasonable fee, not to exceed the actual annual maintenance cost, for the use of musical instruments and uniforms owned or rented by the school;
8. a fee for items of personal apparel used in extracurricular activities that become the property of the scholar;
9. a parking fee;
10. a fee for a scholar identification card;
11. a fee for an optional course offered for credit that requires the use of facilities not available on campus or the employment of an educator who is not part of the school's regular staff;
12. a reasonable fee, not to exceed \$50, for costs associated with an educational program offered outside of regular school hours through which a scholar who was absent from class receives instruction voluntarily for the purpose of making up the missed instruction and meeting the level of attendance required for class credit, so long as the fee would not create a financial hardship or discourage the scholar from attending the program;

13. a fee for supervision of a scholar who is picked-up late from all school related functions;
14. a fee for lost, damaged, or overdue textbooks, library books, technological equipment, and academic curriculum materials; or
15. a fee specifically permitted by any other statute.
16. a fee for locker use and maintenance

### **Before- and After-School Care Programs**

Before- and After-School Care Programs may be provided on a campus. Fees for these programs may vary depending on the number of participants and need. At the discretion of the Principal, such services may be revoked for habitual abuse of early drop-off or late pick-up. Continual abuse of mandated program times may be considered as neglect and thus may be treated as such.

Scholars who are not enrolled in an After-School Care Program and whose parents are more than 15 minutes late for pick up may be placed in the After-Care Program for appropriate supervision and the parents charged the daily rate for the service.

### **Leaving Campus During the School Day**

A scholar who will need to leave campus during the day must submit a note to the school office from his or her parent which provides the following information:

1. scholar's name,
2. reason for scholar's need to leave campus,
3. time scholar will need to be gone from campus,
4. phone number where parent may be reached to confirm parent's permission,
5. parent's name, and
6. parent's signature.

No scholar will be permitted to leave campus before the school office confirms the scholar's need to leave campus with the scholar's parent by phone.

Scholars who fail to check in/out before leaving and/or returning to campus will be

considered truant from any instructional hours missed.

Scholars will not be allowed to leave in the custody of any person not named on the Scholar Registration Forms. Photo identification is required. Scholars who need to be picked up early from school must be picked up no later than 2:20.

Doctor's appointments should be scheduled, if possible, at times when the scholar will not miss instructional time.

### **Lockers/Cubbies/Desk**

If provided storage, such as lockers, cubbies, or desks, it remains under the jurisdiction of the school even when assigned to an individual scholar. The school reserves the right to inspect all space. Searches may be conducted at any time, whether or not the scholar is present.

If lockers are available for any grade level, there will be a locker fee due prior to the locker assignment of \$20. This fee covers regular maintenance of the lockers.

### **Lost and Stolen Items**

All articles, including books, found on campus should be taken to the school office. All articles not claimed at the end of the school year will be disposed of through proper channels. Scholars are not to bring electronic entertainment devices and other personal items to school. The school is not responsible for lost or stolen items.

### **Meals**

The school serves breakfast through participation in the National Breakfast and School Lunch Program. Texas Department of Agriculture ("TDA") and United States Department of Agriculture ("USDA") guidelines are followed to meet the nutritional needs for all scholars.

### **Menus**

Menus may be obtained online under the "Calendars" tab.

### **Payment for Meals**

Payments may be made to the scholar's account weekly, monthly, or yearly for additional a la cart items. See the school office for acceptable methods for payment.

### **State-Mandated Nutrition Guidelines**

TDA policy places strict limits on any food or drink provided or sold to scholars, other than through the school's Food and Nutrition Services. Scholars may not have access to candy or any other food of minimal nutritional value during the school day. Food delivery services are also not allowed during the school day (this includes Pizza, Uber Eats, Door Dash...etc.). The specific policy may be obtained at the school office or online at [www.agr.state.tx.us](http://www.agr.state.tx.us).

### **Free and Reduced-Cost Meals**

The school sends application information for free or reduced cost meals home through our school email system at the beginning of each school year. Applications must be complete, listing all members of the household and family income. Should the family income or household size change, a new free or reduced meal application may be filled out anytime during the school year. Only one application for each household is required.

### **Snacks & Water**

Healthy snacks may be brought for consumption during the school day. Snack times are optional and are determined by the teacher.

Unless there is prior approval (e.g. class party), only water is permitted in the classroom as long as there is a cap to prevent leaking and the bottle is clear.

### **Messages for Scholars**

It is not possible to receive and deliver telephone messages and/or supplies to scholars without interrupting classes and interfering with the learning environment that the school staff works so hard to maintain. In the case of an emergency, the school office should be contacted for assistance.

### **Notice of Non-Discrimination**

The school, as an equal opportunity educational provider and employer, does not discriminate on the basis of race, color, religion, sex, national origin, disability, and/or age in educational programs or activities that it operates or in employment decisions. The school is required by Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, and the Age Discrimination Act of 1975, as amended, as well as Board Policy not to discriminate in such a manner (not all prohibited bases apply to all programs).

### **Pledge of Allegiance/Minute of Silence**

As allowed by state law, each school day, scholars will recite the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. Parents may submit a written request to the Principal at the school office to excuse their scholar from reciting a pledge.

One minute of silence will follow recitation of the pledges. During the one-minute period, each scholar may choose to reflect, pray, meditate, or engage in any other silent activity that is not likely to interfere with or distract others. State law does not allow scholars to be excused from participation in the required minute of silence.

### **Beta Academy Creed**

Each school day, scholars will recite the Beta Academy Creed.

"I am a scholar of excellence. I am dedicated to a life of learning, integrity, high academics, physical fitness, and a life of quality without compromise. I will not lie, cheat, slander or steal, or tolerate those who do. I will serve as an example to my friends and community, pursuing excellence in all areas of my life today."

### **Religious Expression**

#### **Scholar Expression of Religious Viewpoints**

The school shall treat a scholar's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner

the school treats a scholar's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the scholar based on a religious viewpoint expressed by the scholar on an otherwise permissible subject.

### **Religious Expression in Class Assignments**

Scholars may express the scholars' beliefs about religion in homework, artwork, and other written and oral assignments free from discrimination based on the religious content of the scholars' submission. Homework and classroom work shall be judged by ordinary academic standards of substance and relevance and against other legitimate pedagogical concerns identified by the school. Scholars may not be penalized or rewarded on account of religious content. If a teacher's assignment involves writing a poem, the work of a scholar who submits a poem in the form of a prayer (for example, a psalm) should be judged on the basis of academic standards, including literary quality, and not penalized or rewarded on account of its religious content.

### **Freedom to Organize Groups and Activities**

For the purposes of the Equal Access Act, Beta Academy maintains a "limited open forum" for school clubs which grants the opportunity for noncurricular related clubs to meet on the school premises during noninstructional time. The Principal, or designees, shall draft rules and regulations to govern all organizations within the general philosophy of scholar welfare and the Equal Access Act. Requests to meet on school premises must contain a brief statement of the group's purpose and goals, a list of the group's members, and a schedule of its proposed meeting times. Requests may be approved by the Principal, or designee, subject to availability of meeting space and without regard to the religious, political, philosophical, or other content of speech likely to be associated with the group's meetings. Scholars may organize prayer groups, religious clubs, "see you at the pole" gatherings, and other religious gatherings before, during, and after school to the same extent that scholars are permitted to organize other non-curricular scholar activities and groups. Religious groups must be given the

same access to school facilities for assembling as is given to other non-curricular groups, without discrimination based on the religious content of the group's expression. If scholar groups that meet for nonreligious activities are permitted to advertise or announce the groups' meetings, for example, by advertising in a scholar newspaper, putting up posters, making announcements on a scholar activities bulletin board or public address system, or handing out leaflets, school authorities may not discriminate against groups that meet for prayer or other religious speech. School authorities may disclaim sponsorship of non-curricular groups and events, provided they administer the disclaimer in a manner that does not favor or disfavor groups that meet to engage in prayer or other religious speech.

### **Prayer**

Each scholar has an absolute right to individually, voluntarily, and silently pray or meditate in school in a manner that does not disrupt the instructional or other activities of the school. The school will not require, encourage, or coerce a scholar to engage in or refrain from such prayer or meditation during any school activity.

### **Respect for All**

The school has a diverse scholar population and strives to maintain an environment of respect and acceptance. Scholars must not engage in harassing behaviors motivated by ethnicity, gender, color, religion, national origin, or disability directed toward another scholar.

Scholars are expected to treat other scholars and school staff with courtesy and respect, to avoid any behaviors known to be offensive, and to stop these behaviors when asked or told to stop.

For further information, please contact the Title IX Coordinator at 9701 Almeda Genoa Rd., Houston, TX 77075; 832.331.2460.

### **School Calendar**

The school operates according to the annually Board-adopted school calendar. Refer to the school calendar located on the school website for procedures relating to the announcement of school closings in the event of bad weather. Holidays may be used as school make-up days for

days lost due to bad weather. The latest changes to the calendar will be available on the school website.

### **School-Day Schedule**

Refer to the scholar's homeroom teacher for information regarding the school-day schedule and whether supervision of scholars before or after school is available.

### **School Facilities Use**

Certain areas of the campus will be accessible to scholars before and after school for specific purposes. Scholars are required to remain in the area where their activity is scheduled to take place. Unless the school staff member overseeing the activity gives permission, a scholar will not be permitted to go to another area of the campus. Unless involved in an activity under the supervision of school staff, scholars must leave campus once school is dismissed.

### **School Functions**

Scholars are held responsible for their conduct while in attendance at any school function. A scholar who is on campus or in attendance at any school function at any place, night or day, is subject to all regulations of the school and will be governed accordingly. Scholar identification cards may be required to attend some school functions.

Scholars opting for only virtual school, must maintain remaining off-campus during the remote-elected time period.

### **School-Sponsored Trips**

Many school-sponsored trips are made each year for the various activities in which scholars participate. The following regulations govern trips sponsored by the school:

1. Scholars missing school when on a school-sponsored trip are not counted absent, but are required to make up the work missed. Arrangements should be made with each teacher for make-up work before the trip is made.
2. Scholars must take the responsibility of observing all safety rules.

3. Scholars making a school-sponsored trip are under the supervision of a sponsor and are expected to follow the school Scholar Code of Conduct and dress code.
4. Scholars may not miss any class more than 10 times within the school year, unless they are participating in competition beyond the district level.

### **Skateboards**

Scholars are not permitted to use their skateboards, scooters, and/or roller blades on campus at any time. If a scholar is using any of the above instruments as a means of transportation to or from school, he or she must walk and carry the skateboard, scooter, and/or roller blades while on campus. Skateboards, scooters, or roller blades should be kept in a locker, or other designated place approved by a teacher or the Principal, until the end of the school day.

### **Tardiness**

Scholars who are late to class are designated tardy and will be assigned disciplinary consequences if they are tardy on four or more days within every grading period. Egregious tardiness—e.g., arriving to school after attendance has been taken—will be classified as an absence for the purpose of compulsory attendance enforcement if unexcused.

Three tardies will result in one unexcused absence. Each accrued absence will count towards the 95% attendance promotional requirement rule.

A parent or guardian must sign scholar(s) in when tardy. Scholars will be unable to attend class until a parent or guardian has signed the scholar(s) in at the office.

### **Telephone**

Because of the tremendous amount of essential business that must be transacted over the school office telephones, scholars are requested not to ask for use of the telephone except in emergencies. The school office staff will deliver messages in cases of emergency. No toll

calls from office telephones are to be made by scholars.

## **Transportation**

Scholars who participate in school-sponsored trips may be required to ride a school vehicle (i.e., a vehicle driven for school-related business or owned, leased, or rented by the school). The Principal, however, may make an exception if the parent personally requests that the scholar be permitted to ride with the parent, or if the parent presents—prior to the day of the scheduled trip—a written request that the scholar be permitted to ride with an adult designated by the parent.

Riding a school vehicle is a privilege. School vehicle drivers have the authority to maintain discipline and require seating charts. When riding a school vehicle, scholars are held to behavioral standards established in this Handbook and the Scholar Code of Conduct. Scholars must:

1. follow the driver's directions at all times;
2. enter and leave the vehicle in an orderly manner;
3. keep feet, books, instrument cases, and other objects out of the aisle;
4. not deface the vehicle or its equipment;
5. not put head, hands, arms, legs, or any object out of any window; and
6. wait for the driver's signal in order to leave or cross in front of the vehicle.

Only designated scholars are allowed to ride in the vehicle. Scholars may neither ride the vehicle to a different location nor have friends ride the vehicle to participate in after-school activities.

If a special needs scholar is receiving bus transportation as a result of an Individual Education Plan ("IEP"), the Admission, Review, and Dismissal ("ARD") Committee will have the discretion in determining appropriate disciplinary consequences.

## **Use of Scholar's Image/Information**

Photographs of scholars (including video images) along with scholar names, activities, honors, and achievements will be allowed for use in official school projects and events unless a parent specifically requests in writing that such usage be denied. Individual scholar photos for

official campus identification cards may be taken as required.

## **Visitors**

Parents and other visitors are welcome to visit the campus by appointment. No visitors will be allowed in any part of the building without first obtaining approval from the school office. Scholar lunch period is closed to visitors. The school will take the following actions when there is a visitor at the school:

1. The visitor must first report to the school office, and will be required to furnish a U.S. federal or state-issued photo ID.
2. The visitor's information will be stored in an electronic database to document visitors to the school. Information stored in the electronic database may be used only for the purpose of school security, and may not be sold or otherwise disseminated to a third party for any purpose.
3. The school will verify whether the visitor is a sex offender registered with the computerized central database maintained by the Department of Public Safety or any other database accessible by the school. Visitors identified as sex offenders shall be escorted by school staff at all times during a school visit.
4. A visitor badge will be issued to the visitor and displayed conspicuously during the visit.

Visits to individual classrooms during instructional time are permitted only with approval of the Principal and teacher, and such visits are not permitted if their duration or frequency interferes with the delivery of instruction or disrupts the normal school environment.

## **Withdrawals**

A scholar under 18 may be withdrawn from school only by a parent. The school requests notice from the parent at least three days in advance so that records and documents may be prepared. Less than three days' notice may result in forms being mailed. A withdrawal form may be obtained from the school office.

The school may initiate withdrawal of a scholar for non-attendance if:

1. the scholar has been absent 10 consecutive school days and repeated efforts by the school to locate the scholar have been unsuccessful, or
2. the scholar is 18 years of age or older and has more than five unexcused absences in one semester.

## SECTION II

# HEALTH AND SAFETY INFORMATION

### **School Safety**

Scholar safety on campus and at school-related events is a high priority of the school. Although the school has implemented safety procedures, the cooperation of scholars is essential to ensure school safety. A scholar should:

1. avoid conduct that is likely to put the scholar or other scholars at risk;
2. follow the behavioral standards in this Handbook, including the Scholar Code of Conduct, as well as any additional rules for behavior and safety set by the Principal, teachers, or school staff;
3. remain alert to and promptly report to school staff safety hazards, such as intruders on campus and threats made by any person toward a scholar or school staff;
4. know emergency evacuation routes and signals; and
5. immediately follow the instructions of school staff who are overseeing the welfare of scholars.

### **Asbestos Management Plan**

The school has every facility inspected for asbestos before use by a licensed Asbestos Hazard Emergency Response Act (AHERA) inspector. An Asbestos Management Plan is created for the school in accordance to federal regulations by AHERA. Parents may view the Asbestos Management Plan by contacting the school office.

### **Peanut/Tree Nut Policy**

As we face a growing number of children dealing with food allergies and potentially life-threatening peanut and tree nut allergies, Beta Academy will reserve the right to have a peanut and tree nut free classroom.

If a classroom is designated peanut and tree nut free, the classroom will be notified by a sign

being posted on the door of the room and a note indicating this sent home to the parents. Food items containing any peanuts or tree nuts will not

be permitted to enter into the room. If food is brought containing these ingredients to the posted classroom, Beta Academy reserves the right to confiscate and remove the offending food from the premises.

To request a peanut/tree nut free classroom the parent must provide a doctor's note to the front office along with the prescribed epi-pen and written prescription.

### **Bacterial Meningitis**

#### **What is meningitis?**

Meningitis is an inflammation of the covering of the brain and spinal cord. It can be caused by viruses, parasites, fungi, and bacteria. Viral meningitis is most common and the least serious. Bacterial meningitis is the most common form of serious bacterial infection with the potential for serious, long-term complications. It is an uncommon disease, but requires urgent treatment with antibiotics to prevent permanent damage or death.

#### **What are the symptoms?**

Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms.

Scholars and adults with meningitis may have a severe headache, high temperature, vomiting, sensitivity to bright lights, neck stiffness or joint pains, and drowsiness or confusion. In both scholars and adults, there may be a rash of tiny, red-purple spots. These can occur anywhere on the body.

The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

### **How serious is bacterial meningitis?**

If it is diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases it can be fatal or a person may be left with a permanent disability.

### **How is bacterial meningitis spread?**

Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. The germs live naturally in the back of our noses and throats, but they do not live for long outside the body. They are spread when people exchange saliva (such as by kissing and sharing drinking containers, utensils, or cigarettes).

The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks, or even months. The bacteria rarely overcome the body's immune system and cause meningitis or another serious illness.

### **How can bacterial meningitis be prevented?**

Scholars should not share food, drinks, utensils, toothbrushes, or cigarettes. Scholars should limit the number of persons they kiss. While there are vaccines for some other strains of bacterial meningitis, they are used only in special circumstances. These include a disease outbreak in a community or for people traveling to a country where there is a high risk of getting the disease. Also, a vaccine is recommended by some groups for college scholars, particularly freshmen living in dorms or residence halls. The vaccine is safe and effective (85–90 percent). It can cause mild side effects, such as redness and pain at the injection site lasting up to two days. Immunity develops within seven to ten days after the vaccine is given and lasts for up to five years.

### **What should scholars do if they think they or a friend might have bacterial meningitis?**

Scholars should seek prompt medical attention.

### **Where can scholars get more information?**

A family doctor and the staff at the local or regional health department office are excellent sources for information on all communicable diseases. Parents and scholars may also call the local health department or Regional Texas Department of Health office to ask about meningococcal vaccine. Additional information may also be found at websites for the Centers for Disease Control and Prevention (<http://www.cdc.gov>) and the Texas Department of State Health Services (<http://www.dshs.state.tx.us>).

## **Child Abuse Reporting and Investigations**

### **Reporting Procedures**

Scholars who believe they are the subjects of abuse, sexual abuse, neglect, or other maltreatment should report the incident immediately to a teacher or the Principal.

If a parent has cause to believe that a scholar has been or may be abused or neglected at school, the parent should immediately notify the Principal at the school and make an oral report to Child Protective Services at 1.800.252.5400 or the local Police Department at 911.

### **Staff Reporting**

All school officials are required to report any suspicions or knowledge of abuse, sexual abuse, neglect, or other maltreatment immediately and directly to Child Protective Services. School staff cannot be required to report it to a supervisor before reporting to CPS.

### **Additional Information**

Additional information regarding abuse, sexual abuse, neglect and other maltreatment of children, including prevention techniques and knowledge of likely warning signs indicating that a child may be a victim of abuse, sexual abuse, neglect or other maltreatment, may be found at the following Texas Education Agency website: <http://www.tea.state.tx.us/index.aspx?id=2820>.

### **Staff Training**

All members of the school staff are trained annually in child abuse awareness and reporting procedures.

### **Scholar Interviews at School**

The school cooperates with official child abuse investigators as required by law. The school may not interfere with an investigation of a report of child abuse or neglect conducted by the Texas Department of Family and Protective Services (“DFPS”). The school shall permit the investigator to conduct the required interview with the scholar at any reasonable time at the school. The school may not require the investigator to permit school staff to be present at a scholar interview conducted at school.

### **Notification of Parents**

Investigations at school may be conducted by authorized law enforcement or state agencies without prior notification or consent of the scholar’s parents if necessary.

### **Communicable Diseases**

To protect other scholars from contagious illnesses, scholars infected with certain diseases are not allowed to come to school while contagious. Parents of a scholar with a communicable or contagious disease should phone the school office so that other scholars who might have been exposed to the disease can be alerted.

### **Dyslexia and Related Disorders**

From time to time, scholars may be tested and, where appropriate, treated for dyslexia and related disorders in accordance with programs, rules, and standards approved by the State. Parents will be notified should the school determine a need to identify or assess their scholar for dyslexia and related disorders. The full Dyslexia handbook is available for viewing in the school office by appointment.

### **Emergency Medical Treatment**

If a scholar has a medical emergency at school or a school-related activity and the parent cannot

be reached, school staff will seek emergency medical treatment unless the parent has previously provided a written statement denying this authorization. Therefore, parents are asked each year to complete an “Emergency Care Consent Form,” which includes information about their scholar’s allergies to medications, etc. Parents should keep emergency care information current (e.g., name of doctor, emergency phone numbers, allergies, etc.). An updated Scholar Health Form will be required at the beginning of each school year. Please inform the school office of any changes that occur during the school year.

### **Fire, Lock-Down, and Disaster Drills**

Fire drills are conducted for two purposes:

1. to train scholars to leave the building orderly and quickly in case of an emergency alarm, and
2. to teach self-control in times of emergency.

When the fire alarm is sounded, all scholars should immediately walk out of the room and proceed to the designated exit. They should walk in an orderly manner, with no talking or pushing. When the scholars reach the safety zone designated by the teacher, they should face the building but remain in line.

In addition to fire drills, lock-down or disaster drills will also be conducted.

### **Health Care Appointments**

A scholar may be excused for a temporary absence resulting from a visit to health care professionals if that scholar begins classes or returns to school on the same day of the appointment. A note from the health care professional must be provided to the school office upon return of the scholar to school. Scholars whose absences are excused for these reasons may not be penalized for that absence and will be counted as if the scholar attended school for attendance purposes. The scholar will be allowed a reasonable time to make up the missed school work.

### **Illness During School Hours**

A scholar who becomes ill during school hours is to report to the teacher, who will then send him or her to the school office. The scholar's parent will be contacted. No scholar is allowed to go home without the parent being notified. Scholars are not to call parents from pay phones or cell phones asking to go home; such calls are to be made from the school office by school staff.

Scholars must stay home from school due to illness if any of the following are present:

1. fever of 100 degrees Fahrenheit or higher in the past 24 hours;
2. vomiting and/or diarrhea in the past 24 hours;
3. itchy, red eyes with discharge;
4. unknown rash;
5. ringworm (until treatment has been started);
6. live head lice; or
7. jaundice.

Scholars must also stay home from school if the child has or is suspected of having a communicable condition requiring exclusion by the Department of Health Services.

To protect scholars at school, scholars assessed with any of the signs and symptoms listed above will be sent home.

## **Immunizations**

The State of Texas requires that every child in the state be immunized against vaccine preventable diseases caused by infectious agents in accordance with an established immunization schedule.

To determine the specific number of doses that are required for your scholar, please read "Texas Minimum State Vaccine Requirements for Scholars." This document and more information about school vaccine requirements are available at the Texas Department of State Health Services ("DSHS") Immunization Branch website: [www.ImmunizeTexas.com](http://www.ImmunizeTexas.com) (click on the "School Requirements" link, then "Main Page" link).

Proof of immunization must be in one of the following forms:

1. a copy made from the original health record;
2. a printed copy from the Health Dept/Physician with their signature and stamp on it;

3. a record that is printed from Immtrac.

Records from a previous school are not acceptable.

## **Provisional Enrollment**

A scholar can be enrolled provisionally for 30 days from the first day of attendance only if:

1. he/she is transferring from a Texas school to a Texas school;
2. a dependent of a parent who is Active Duty Military with a valid ID card; or
3. the scholar is homeless or displaced.

If on day 30 of the provisional enrollment an up-to-date compliant immunization record is not received, then the scholar will be excluded from school and marked absent until the record is provided.

A scholar may be enrolled provisionally if the scholar has an immunization record that indicates the scholar has received at least one dose of each specified age-appropriate required vaccine. To remain enrolled, the scholar must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school. The school shall review the immunization status of a provisionally enrolled scholar every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a scholar has not received a subsequent dose of vaccine, then the scholar is not in compliance and the school shall exclude the scholar from school attendance until the required dose is administered.

## **Exemptions from Immunization Requirements**

Exemptions from immunization requirements are allowable on an individual basis for:

1. medical reasons;
2. reasons of conscience, including a religious belief; and
3. active duty with the armed forces of the United States.

To claim an exclusion for medical reasons, the scholar must present a statement signed by the scholar's physician (M.D. or D.O.), duly registered and licensed to practice medicine in the United

States who has examined the scholar, in which it is stated that, in the physician's opinion, the vaccine required is medically contraindicated or poses a significant risk to the health and well-being of the scholar or any member of the scholar's household. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

To claim an exemption for reasons of conscience, including a religious belief, a signed DSHS affidavit must be presented by the scholar's parent, stating that the scholar's parent declines vaccinations for reasons of conscience, including because of the person's religious beliefs. The affidavit will be valid for a two-year period. Information for obtaining an affidavit for exclusion from immunization requirements is available at [www.ImmunizeTexas.com](http://www.ImmunizeTexas.com) (click on the "School Requirements" link, then "Main Page" link). The official DSHS affidavit form must be notarized and submitted to the school office. The form must be submitted within 90 days from the date it is notarized. The school will accept only official affidavit forms developed and issued by the DSHS. No other forms or reproductions will be allowed. The scholar who has not received the required immunizations for reasons of conscience, including religious beliefs, may be excluded from school in times of emergency or epidemic declared by the commissioner of public health.

To claim an exemption for armed forces, the scholar must prove that he or she is serving on active duty with the armed forces of the United States.

### **Immunization Records Reporting**

The school's record of a scholar's immunization history, while private in most instances, may be inspected by the Texas Education Agency, local health departments, and the DSHS and transferred to other schools associated with the transfer of the scholar to those schools.

### **Injuries**

The school is not responsible for medical costs associated with a scholar's injury.

### **Interrogations and Searches**

Scholars shall not place, keep, or maintain any article or material prohibited by school policy or that would lead school officials to reasonably believe that it would cause a substantial disruption at school or at a school-sponsored or school-related function. Principals and teachers have the right to question scholars regarding their conduct or the conduct of others without consent or the presence of a parent/guardian.

School staff may search a scholar's outer clothing, pockets, or property by establishing reasonable suspicion or securing the scholar's voluntary consent. However, consent obtained through threat of contacting parents or the police authorities is not considered to be voluntarily given.

Scholar lockers, desks/offices, backpacks, vehicles parked on campus, and any other area that is owned or jointly controlled by the school, are under the jurisdiction of the school. As such, they may be searched any time there is reasonable cause to believe that they contain articles or materials prohibited by school policy, with or without the presence of the scholar. The parent will be notified if any prohibited items are found in the scholar's possession.

### **Random Drug Searches**

In order to ensure a drug-free learning environment, the school may conduct random drug searches of the school facilities. The school may use trained dogs to alert school officials to the presence of prohibited or illegal items, including drugs and alcohol. At any time, trained dogs may be used around lockers and the areas around vehicles parked on campus. Searches of classrooms, common areas, or scholar belongings may also be conducted by trained dogs when scholars are not present. An item in a classroom, a locker, or a vehicle to which a trained dog alerts may be searched by school officials.

### **Law Enforcement Agencies**

#### **Procedures for Law Enforcement Interviews**

The following procedures shall be followed when law enforcement officers and other lawful

authorities want to question or interview a scholar at the school:

1. The school shall verify and record the identity of the official and request an explanation of the need to question or interview the scholar at school.
2. The school shall make reasonable efforts to notify the scholar's parent.
3. Unless prohibited by law or when the scholar has been arrested or taken into police custody, a school staff member shall be present during the questioning or interview.

When the investigation involves allegations of child abuse, special rules apply (see "Child Abuse Reporting and Investigations").

### **Procedures for Assuming Custody of a Scholar**

The school shall permit a scholar to be taken into custody:

1. pursuant to an order of the juvenile court;
2. pursuant to the laws of arrest;
3. by a law enforcement officer if there is probable cause to believe the scholar has engaged in conduct that violates a penal law, delinquent conduct or conduct in need of supervision, or conduct that violates a condition of probation imposed by the juvenile court;
4. by a probation officer if there is probable cause to believe the scholar has violated a condition of probation imposed by the juvenile court;
5. pursuant to a properly issued directive to apprehend; or
6. by an authorized representative of the Texas Department of Family and Protective Services ("DFPS"), a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in Section 262.104 of the Texas Family Code relating to the scholar's physical health or safety.

## **Medication Policies**

### **All Medication**

All medication must be prescription medication. In order to be administered during school hours, the medication must be prescribed by a physician or advanced nurse practitioner

("ANP") and filled by a pharmacist licensed in the State of Texas.

Prescription medication labels must include the scholar's name and instructions, and be clearly legible.

Written instructions from a physician or ANP are required and must include the following information:

1. name of the scholar,
2. name of the medication,
3. reason the medication is being given,
4. specific amount to be given,
5. time the medication is to be given, and
6. the method used to administer the medication.

Changes to daily medications require written instruction from the physician or ANP and written permission from the parent. Parents are responsible for advising the school office that a medication has been discontinued.

### **Asthma and Anaphylaxis Medication**

Asthma and anaphylaxis are life threatening conditions, and scholars with those conditions may be allowed to have inhalers located in the office to be administered by a health specialist. Requirements also include written authorization from the scholar's parent and physician or other licensed health care provider on file in the school office.

Should a scholar require the inhaler to be present with them, the office would need to be provided a written note from a doctor or other health care professional. With these safeguards in place, the scholar may possess and self-administer his or her prescribed asthma and/or anaphylaxis medication at his or her discretion during school hours or at school related events. Written authorizations to self-administer asthma or anaphylaxis medication should be updated annually unless otherwise indicated by the physician.

Medication in a scholar's possession must be in an original container with a prescription label. Please note that most pharmacies will place a label on the inhaler device upon request.

### **Diabetes Management**

Scholars with diabetes may be allowed to have equipment and medication used in the treatment of diabetes located in the office to be administered by a health specialist. Requirements also include written authorization from the scholar's parent and physician or other licensed health care provider on file in the school office.

Scholars with diabetes may possess the equipment and medication used in the treatment of diabetes during the school day and at school-related events given certain conditions and a written note from the prescribing doctor or health care professional expressing this authorization. According to Texas Health and Safety Code Chapter 168, a diabetes management and treatment plan must be developed and implemented by the scholar's parent and the physician responsible for the scholar's diabetes treatment. This plan must evaluate the scholar's ability to manage diabetes and his or her level of understanding of diabetes and must be signed by the parent and physician responsible for the scholar's diabetes treatment. An individual health plan must be implemented by the school and must incorporate components of the scholar's diabetes management and treatment plan. In accordance with the scholar's individualized health plan, which incorporates the diabetes management and treatment plan signed by the parent and physician that indicates the scholar's ability to manage diabetes and his or her level of understanding of diabetes, a school shall permit a scholar to attend to the management and care of his or her diabetes, which may include:

1. performing blood glucose level checks;
2. administering insulin;
3. treating hypoglycemia and hyperglycemia;
4. possessing necessary monitoring and treatment equipment designed for diabetes care; and
5. attending to the management of his or her diabetes in the classroom, in any area of the school grounds, or at any school-related activity.

### **Physical Restraint**

School staff may, within the scope of their duties, use and apply physical restraint to a scholar that they reasonably believe is necessary in order to:

1. protect a person, including the person using physical restraint, from imminent physical injury;
2. obtain possession of a weapon or other dangerous object;
3. protect property from imminent serious damage;
4. remove from a specific location a scholar refusing a lawful command of school staff, including a classroom or other school property, in order to restore order or impose disciplinary measures; or
5. prevent a scholar from fleeing when fleeing would put the scholar, other scholars, or others in imminent danger.

### **Surveillance Cameras/Video Recordings**

For safety purposes, including the maintenance of order and discipline, surveillance cameras may be used to monitor scholar behavior in classrooms, on school vehicles, and in school common areas. Video recordings may be reviewed routinely to document scholar misconduct and used by school staff when investigating an incident.

# SECTION III

## ACADEMICS AND GRADING

### Physical Education

#### Requirements 9-12

All scholars in grades 9-12 must complete a minimum of 1 physical education credit. This credit may be obtained via dual credit or at Beta Academy High School.

#### Physical Education Exemption

Short-term exemption from physical education is possible for scholars who have physical handicaps, illnesses, or other incapacities that a physician or ARD committee deems severe enough to warrant exemption or severe enough to warrant modified activity in such classes. Each case is handled on an individual basis as follows:

1. Each request for exemption or for modified activity must be accompanied by a physician's certificate. Such certificates are honored, but must be renewed each year.
2. When the certificate will allow modified activities in class, the scholar should remain in physical education class. The teachers adjust the activities of the scholar to the disability.
3. An exempted scholar may be admitted to regular physical education activities only upon presentation of a written statement from the same physician who signed the original exemption.

#### Physical Fitness Assessment

Except for scholars for whom, as a result of disability or other condition identified in law, assessment is inappropriate, the school will assess the physical fitness of scholars annually.

### Promotion & Graduation Requirements

A scholar may be promoted on the basis of academic achievement and/or demonstrated proficiency in the subject matter of the course or

grade level. To earn credit in a Beta Academy taught course, a scholar must receive a grade of

at least 70 (without notations that scholar is performing lower on original work) and successfully complete all assigned coursework. To earn credit in a dual credit course, the scholar must receive a passing score on the grade scale of the college presenting the course. Beta Academy High School will honor the grade scale system of the college. Scholars must demonstrate mastery of grade level content on benchmark tests – with limited exceptions. In addition, at certain grade levels a scholar—with limited exceptions—will be required to pass the state-mandated assessment test and meet the 95% attendance rule (see Page 1). All grades are final; scholars will receive the grade that was earned. Additional grade level Promotional Requirements are listed below:

#### Ninth-Twelfth

To graduate from Beta Academy High School, scholars must, at a minimum, obtain a diploma in the Foundation High School Program, and complete all EOC exams with a passing score before the completion of senior year or qualify to graduate by an Individual Graduation Committee if the student fails the EOC exam for no more than two courses. If a scholar wishes to change courses, this must be requested within the first two weeks of each semester. The Graduation Committee will determine if this request can and/or will be granted to the scholar. Below is a list of the minimum high school requirements to graduate:

- 4 ELA credits
- 3 Mathematics credits
- 3 Science credits
- 3 Social Studies credits
- 2 LOTE (Language Other Than English) credits
- 1 Speech Credit (Demonstrated Proficiency)
- 1 Physical Education credit
- 5 Elective credits
- EOC – Passing Score in English I, English II, Biology, U.S. History, and Algebra I or the student qualifies to graduate by

means of an Individual Graduation Committee

- Earn 60 hours of community service prior to graduating

### **Credit By Exam**

Scholars may earn credits through exam by testing at Texas Tech University.

### **Dual Credit**

Scholars may enroll in approved dual credit courses with the college that Beta Academy High School is partnered with. Dual credit benefits the scholars by offering reduced pricing on collegiate courses while allowing the scholar to earn credit in both high school and college courses simultaneously. Tuition and fees are to be paid directly to the college and are the financial responsibility of the parent or guardian. All withdrawals from courses will abide by the college policy. No reimbursements will be provided by Beta Academy.

Beta Academy will only honor a San Jac credit that is a 70 or higher. While San Jac will award a credit, a score below 70 falls below Beta's grading averages.

### **Report Cards**

Parents must be kept informed about their scholar's grades, overall performance, and absences. Therefore, report cards will be sent to parents at intervals corresponding with the nine week grading period. Parents are requested to schedule a conference with their scholar's teacher if he or she is not making adequate progress.

Grading scales are as follows:

Grades 9-12:

1. A = 90% to 100%
2. B = 80% to 89%
3. C = 70% to 79%
4. F = 69% and below

Beta Academy High School will honor the grade scale system of the college should it differ from the above scale.

### **Special Needs Scholars**

### **Bilingual/ESL Services**

It is the policy of the state that every student in the state who has a primary language other than English and who is identified as an English learner shall be provided a full opportunity to participate in a bilingual education or English as a second language (ESL) program, as required in the Texas Education Code (TEC), Chapter 29, Subchapter B. To ensure equal educational opportunity, as required in the TEC, §1.002(a)

Beta Academy is currently under the §89.1207. Bilingual Education Exceptions and English as a Second Language Waivers. Beta Academy provides an Alternative Language Program to support the affective, linguistic, and cognitive needs of English learners through a comprehensive professional development plan that is ongoing and targets the development of the knowledge, skills, and competencies needed to serve the needs of English learners.

The program is designed to assist English learners in grades 9–12 with development in language—listening, speaking, reading, and writing. The goal of the program is to provide additional English language assistance to scholars, enabling them to become academically successful in all classes. Scholars are assessed with state-approved Oral Language Proficiency and Norm Referenced Tests to qualify for placement in the program. If test results indicate either limited oral or limited cognitive academic English ability, the scholar (with parent approval) is provided additional English language support.

### **Special Education Services**

To be eligible to receive Special Education services, the scholar must have a disability, and as a result of the disability, the scholar has a need for specialized services. The school has the responsibility of identifying, locating, and evaluating individuals with disabilities who are 3 to 21 years of age and who fall within the school's jurisdiction. If you know or suspect that your scholar has a disability, please contact the school's Principal for information about available programs, assessments, and services.

Special education services are specifically designed to meet the unique needs of scholars

with disabilities. Each scholar who receives special education services has an Individual Education Plan (“IEP”) which is developed by the scholar’s Admission, Review, and Dismissal (“ARD”) Committee. The ARD Committee considers the scholar’s disability and determines appropriate accommodations, supplementary aids, and/or services that are necessary for the scholar to participate in the general curriculum. At any point the scholar does not fulfill his/her responsibilities (e.g. completing classwork or homework, participating in class, and/or following the scholar code of conduct), the Beta administration reserves the right to administratively withdraw the scholar.

The designated person to contact regarding options for a child experiencing learning difficulties or a referral for evaluation for special education is the Principal.

If a scholar is experiencing learning difficulties, the parent may contact the Principal to learn about the school’s overall general education referral or intervention system for support services. This system links scholars to a variety of support options, including referral for a special education evaluation. Scholars having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all scholars, including a process based on Response to Intervention (“RTI”). The implementation of RTI has the potential to have a positive impact on the ability of local education agencies to meet the needs of all struggling scholars.

At any time, a parent is entitled to request an evaluation for special education services. Please note that a request for a special education evaluation may be made verbally and does not need to be in writing. Districts and charter schools must comply with all federal prior written notice and procedural safeguards requirements and the requirements for identifying, locating, and evaluating children who are suspected of being a child with a disability and in need of special education. However, a verbal request does not require the district or charter to respond within the 15-school-day timeline. If the request is presented in writing, within fifteen school days, the Scholar Success Committee must decide if the evaluation is needed. If evaluation is needed, the parent will be notified and asked to provide informed written consent for the evaluation. The

school must complete the evaluation and the report within 45 school days of the date the school receives the written consent. The school must give a copy of the report to the parent.

Following the completion of an evaluation, the school must hold an Admission, Review, and Dismissal Committee meeting within 30 calendar days.

If the school determines that the evaluation is not needed, the school will provide the parent with a written notice that explains why the scholar will not be evaluated. This written notice will include a statement that informs the parents of their rights if they disagree with the school. Additionally, a copy of the “Notice of Procedural Safeguards: Rights of Parents of Scholars with Disabilities” will be provided.

The “Notice of Procedural Safeguards: Rights of Parents of Scholars with Disabilities” can be obtained from the school office or at the Texas Education Agency Special Education Website: [www.tea.state.tx.us/special.ed](http://www.tea.state.tx.us/special.ed). For further information, please contact the Special Education Director.

All special education services are provided in the least restrictive environment which may be special education settings, general education settings, or a combination of both. All scholars receiving special education services are educated to the maximum extent appropriate with their non-disabled peers as well as participating in all school activities on the same basis as scholars who are not disabled.

## **Section 504 Services**

To become eligible for services and protections under Section 504 of the Americans with Disabilities Act, a scholar must be determined, as a result of an evaluation, to have a “physical or mental impairment” that substantially limits one or more major life activities. If a scholar has, or is suspected of having, a disability under this act and requires special services, parents or teachers should contact the Principal for information concerning available programs, assessments, and services. For further information, please contact the District 504 Coordinator at Beta Academy, 9701 Almeda Genoa Rd., Houston, TX 77075; 832.331.2460.

### **Services for Title I Participants**

The Parent Involvement Coordinator, who works with parents of scholars participating in Title I programs, is the Principal and may be contacted at the school.

### **State Assessments**

#### **Grades 9–12**

Students entering Grade 9 will be required to take five (5) End-of-Course (“EOC”) assessments during high school. These students will take the following EOC exams:

1. English I
2. English II
3. Algebra I
4. Biology
5. U.S. History

#### **Alternative Assessment**

Scholars with disabilities who are receiving special education modifications in Grades 9-12, and who are receiving services in one or more subject areas, may be eligible to participate in the STAAR Alternative 2.

#### **Texas English Language Proficiency Assessment System (“TELPAS”)**

The Texas English Language Proficiency Assessment System (“TELPAS”) is a system of statewide assessments administered to all Limited English Proficient (“LEP”) scholars in grades 9

through 12. The TELPAS measures English ability based on the stages of language development of second language learners. These results will further the understanding of the educational needs of LEP scholars by providing a state-level measure of both their current academic English levels and their annual progress in English.

The Language Proficiency Assessment Committee (LPAC), composed of a trained parent representative, general education teacher, English as a Second Language (ESL) teacher, and Administrator, will meet, discuss, and track the progress of each LEP scholar. The LPAC committee will determine linguistic needs of the LEP scholar and provide accommodations as they determine necessary.

### **Scholar Success Team**

The Scholar Success Team is a campus-level committee comprised of key personnel including, but not limited to the Principal, general education teacher, Academic coordinator or designee, and Attendance Clerk. Recommendations for scholar assistance are based on scholar achievement data and teacher checklists. Committee members evaluate scholar progress and make recommendations for individual accommodations.

Each scholar’s progress is monitored and adjustments are made as necessary. All requests for special education screening/testing begin with this committee.

### **Textbooks**

State-approved textbooks and additional curriculum materials are provided free of charge for each subject or class. Materials must be used by the scholar as directed by the teacher and treated with care. A scholar who is issued damaged materials should report the damage to the teacher. Scholars will be expected to pay for lost or severely damaged materials. A scholar whose textbook record is not clear will not be issued any school textbooks until the records are cleared (although a scholar will be provided textbooks for use at school during the school day). Release of scholar records will be delayed pending payment for lost or severely damaged textbooks.

### **Tutorials**

Scholars are encouraged and may be required to see teachers for tutoring schedules, including mandatory tutoring before school, after school or on Saturday. Any contact with teachers concerning the tutoring or scholar's progress must be made by the parent.

Private tutoring is the responsibility of the parent. Teachers are not permitted to privately tutor their scholars for pay.

### **Mandatory Tutorials**

The campus tutorial intervention identifies and places scholars in a remediation program designed to offer learning opportunities beyond the prescribed campus hours of operation. This program will be composed of direct or blended combinations of options, including extended day (before & after school) tutoring and Saturday schools or events.

Scholars identified for mandatory tutoring either during the school week or on Saturdays must attend. Failure to participate appropriately in the tutoring system may be grounds for disciplinary action up to and including dismissal from the school.

## SECTION IV

# SCHOLAR CODE OF CONDUCT

### Preface

To function properly, education must provide an equal learning opportunity for all scholars by recognizing, valuing, and addressing the individual needs of every scholar. In addition to the regular curriculum, principles and practices of good citizenship must be taught and modeled by the school staff. This includes an appreciation for the rights of others.

However, no school or school system can discharge these responsibilities if it permits scholars to act in an objectionable manner or to disregard rules and regulations adopted for the benefit of all persons. The school has both the responsibility and authority to enforce the Scholar Code of Conduct, question scholars, counsel them, and assign discipline when deemed appropriate.

Scholars live and function, as do adults, in the general community. As citizens, scholars are entitled to our society's benefits; but as citizens, they are also subject to its national, state, and local laws and rules governing various aspects of their conduct. Not all laws are easy to follow, nor need one necessarily agree with each and every law or rule. Often a law or a rule seems unjust or inappropriate, but the law or rule must be obeyed.

In much the same manner, scholars live and function in a second community as well—namely, the school community. Education confers its own

benefits, but it, too, requires acceptance of individual responsibilities. It must at the same time have an orderly and manageable framework within which to operate.

The rules and standards set forth in this Handbook apply to conduct:

1. on school premises or on school vehicles or involving school property,
2. off school premises which directly affects other scholars or the school, and
3. at school functions of any kind.

This Handbook does not define all types and aspects of scholar behavior; however, the Board of Trustees has the responsibility to set forth

policies, rules, and regulations to help each scholar conduct himself or herself in a proper manner as a good citizen of the school community. If changes in state law become effective after the printing of this Handbook, the state law will supersede the local policy.

The Board of Trustees and the Superintendent may establish written policies, rules, and regulations of general application governing scholar conduct in all schools. In addition, each Principal, within his or her school, may establish certain rules and regulations not inconsistent with those established by the Board and the Superintendent.

Any conduct that causes or creates a reasonable likelihood that it will cause a substantial disruption in or material interference with any school function, activity, or purpose, or that interferes or creates a reasonable likelihood that it will interfere with the health, safety, or well-being or the rights of other scholars is prohibited.

A teacher may send a scholar to the Principal's office to maintain effective discipline in the classroom. In addition, a teacher may remove from class a scholar:

1. who has been documented by the teacher to repeatedly interfere with the teacher's ability to communicate effectively with the scholars in the class or with the ability of the scholar's classmates to learn; or
2. whose behavior the teacher determines is so unruly, disruptive, or abusive that it seriously interferes with the teacher's ability to communicate effectively with the scholars in the class or with the ability of the scholar's classmates to learn.

The Board of Trustees has authorized detention, in-school and out-of-school suspension, and expulsion as methods of disciplining scholars. The Board of Trustees has also given authority to the Superintendent or his designee to use any other disciplinary actions which, in his or her judgment, is appropriate for the violation.

### **Responsibilities of Staff, Parents, and Scholars**

Each member of the school community must fulfill certain responsibilities if a positive learning environment is to be achieved. A cooperative relationship among staff, parent, and scholar requires that:

#### **School Staff both In-School and Virtual**

1. maintain an atmosphere conducive to good behavior;
2. are in regular attendance and on time, and are prepared to perform their duties with appropriate working materials;
3. exhibit an attitude of respect toward individuals and property and conduct themselves in a responsible manner;
4. plan a flexible curriculum to meet the needs of all scholars;

5. promote effective training and discipline based upon fair and impartial treatment of all scholars;
6. encourage parents to keep in regular communication with the school and encourage parental participation in school affairs;
7. develop a cooperative working relationship among staff and scholars; and
8. obey school policies and regulations.

#### **Parents of In-School or Virtual Scholars**

1. ensure their scholar's compliance with school attendance requirements and promptly report and explain absences and tardies to the school;
2. assist their child in being properly attired;
3. take an active interest in the overall school program;
4. communicate regularly with the school concerning their scholar's conduct and progress;
5. discuss report cards and work assignments with their scholar;
6. bring to the attention of school authorities any problem or condition that affects their scholar;
7. maintain up-to-date home, work, and emergency telephone numbers at the school;
8. cooperate with the Principal and teachers in their efforts to achieve and maintain a quality school system; and
9. provide transportation for their scholar to and from mandatory tutorials and Saturday school.

#### **Parents of Virtual Scholars**

1. establish open lines of communication with school staff throughout the course of the school day should a parent or guardian need to be reached; and
2. make a reasonable effort to establish a learner-focused environment that has minimal distractions.

#### **All Scholars In-School and Virtual**

1. attend all classes daily and on time;
2. prepare for each class, taking appropriate materials and assignments to class;
3. meet school standards of grooming and dress;

4. exhibit an attitude of respect and courtesy toward individuals and property, and conduct themselves in a responsible manner, always exercising self-discipline;
5. refrain from making profane, insulting, threatening, or inflammatory remarks;
6. refrain from engaging in disruptive conduct or cheating;
7. obey all school and classroom rules;
8. seek changes in school policies and regulations in an orderly and responsible manner through approved channels;
9. respect the rights and privileges of scholars, teachers, and other staff and volunteers;
10. cooperate with and assist the school staff in maintaining safety, order, and discipline; and
11. adhere to the requirements of the Scholar Code of Conduct.

- a. the violation causes a material and/or substantial disruption at school, or
- b. it is reasonably foreseeable to school officials that the violation will cause a material and/or substantial disruption at school.
- c. the violation is during the time the scholar is receiving virtual school and is an offense listed in the scholar code of conduct

The school may also discipline a scholar for any offense listed in Sections 37.006(a) or 37.007(a), (b), and (d) of the Texas Education Code, no matter when or where the offense takes place.

### **Code of Conduct Violations**

#### **Abuse**

Actions or threats of actions which constitute verbal or physical abuse of any employee or volunteer of the school by a scholar or any other individual will not be tolerated. Appropriate measures necessary to correct these situations shall be taken by the school, including expulsion.

#### **Academic Dishonesty**

Scholars found to have engaged in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the Scholar Code of Conduct.

Academic dishonesty includes cheating or copying the work of another scholar, plagiarism, and unauthorized communication between scholars during an examination. The determination that a scholar has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or other supervising professional employee, taking into consideration written materials, observation, or information from scholars.

#### **Academic Offenses**

Scholars found to have academic offenses shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the Scholar Code of Conduct.

#### **Additional Responsibilities for Virtual Scholars**

1. cameras on with scholar visible;
2. scholar must be sitting up in a chair;
3. adhere to the dress code (uniform is not required); and
4. refrain from eating during class (breaks will be given during the school day to appropriate for snacks and meals).

### **Jurisdiction**

The school may discipline a scholar for any violation of the Scholar Code of Conduct committed while a scholar is:

1. on school property;
2. within 300 feet of school property as measured from any point on the real property boundary line;
3. attending any school-related or school-sponsored activity no matter when or where it takes place;
4. on the property of another school;
5. attending another school's school-sponsored or school-related activity; or
6. off school property, including online activity off school property such as virtual school and/or any online any online and social media activity if

Academic offenses may include, but are not limited to: incomplete homework assignments, missing assignments, late assignments, missing tutorials (including before and after school and/or on Saturdays), and failure to return signed papers.

### **Alcoholic Beverages**

Any scholar found to have sold, given, delivered, been in possession of, or been under the influence of any alcoholic beverage while in school or while a participant in or spectator of a school-sponsored event, shall be subject to disciplinary penalties in accordance with the Scholar Code of Conduct. An “alcoholic beverage” means any beverage containing alcohol, including wine or beer. A scholar is considered “in possession” if he or she has contact with the alcohol regardless of the amount of time it is in the scholar’s possession. If a scholar becomes in possession of alcohol, he or she needs to immediately inform an adult on campus. The smell of alcohol detectable on one’s breath is sufficient evidence to indicate being “under the influence”.

### **Bomb Threats**

Any threat of this type will not be tolerated. A scholar making a bomb threat will be subject to expulsion and dealt with to the full extent of the law.

### **Conduct While Riding in School Vehicles**

The Principal shall take steps to maintain acceptable scholar conduct while riding a school vehicle. Scholars who fail to follow the behavioral standards described in this Handbook (see “Transportation”) may be denied the privilege of school transportation. Parental involvement will be sought before a scholar is excluded from riding a school vehicle, except in situations involving a flagrant violation. Flagrant violations include fighting, gross insubordination, and other acts that may cause a safety hazard. It should be understood by all that the driver has the responsibility for maintaining order in his or her school vehicle. It is the duty of the Principal—not the driver—to exclude a scholar from riding a school vehicle. However, the driver is not prohibited from exercising reasonable judgment in order to protect other passengers from bodily harm.

### **Disruptive Activity**

In order to protect scholar safety and sustain an educational program free from disruption, state law permits the school to take action against any person—scholar or non-scholar—who:

1. interferes with the movement of people in an exit, an entrance, or a hallway of a school building without authorization from the Principal;
2. interferes with an authorized activity by seizing control of all or part of a building;
3. uses force, violence, or threats in an attempt to prevent participation in an authorized assembly;
4. uses force, violence, or threats to cause disruption during an assembly;
5. interferes with the movement of people at an exit or an entrance to school property;
6. uses force, violence, or threats in an attempt to prevent people from entering or leaving school property without authorization from the Principal;
7. disrupts the conduct of classes or other school activities while on school property or on public property that is within 500 feet of school property (disruption includes making loud noises; enticing, attempting to entice, preventing, or attempting to prevent a scholar from attending a required class or school activity; entering a classroom without the consent of either the Principal or the teacher and, through either acts of misconduct or the use of loud or profane language, disrupting class activities); or
8. interferes with the transportation of scholars in school vehicles.

### **Electronic Devices**

Scholars are not permitted to possess electronic devices (e.g., electronic games, iPod and mp3 players, pagers, radios, cameras, etc.) at school, unless prior permission has been obtained from the Principal. Without such permission, teachers will collect the items and turn them in to the Principal. The Principal will determine whether to return items to scholars at the end of the day or to contact parents to pick up the items.

For safety purposes, the school permits scholars to possess cell phones and smart devices (e.g. Apple watch); however, all devices must remain turned off and in their backpack during the

instructional day, including during all testing. If these items are out during the school day without permission, teachers will collect the items and turn them in to the Principal. The Principal will determine whether to return the items to the scholar at the end of the day or contact parents to pick the items up.

Sending, sharing, viewing, or possessing pictures, text messages, e-mails, or other material of a sexual nature in electronic or any other form on a cell phone or other electronic device is prohibited and dealt with to the full extent of the law.

### **Electronic Equipment in the Classroom**

Scholars may only use audio visual or electronic equipment in the classroom with permission of the teacher. These items include but are not limited to headphones, wireless earbuds, audio or video taping equipment. The school is not responsible for the damage, loss, or theft of these items. If items are being used without teacher permission, these items will be picked up and turned in to the Principal. The Principals will determine whether to return the items to the scholar at the end of the day or contact parents to pick the items up.

### **Exposure**

Inappropriate exposure of body parts, even without any sexual intent, is a serious offense and will be subject to disciplinary action.

### **Gambling**

Scholars are forbidden to gamble in a school building or on school property.

### **Gang-Free Zones/Gang Activity**

Any scholar found to have engaged in organized criminal activity, gang-related activity, and other criminal acts will be subject to appropriate disciplinary action. Scholar behavior considered to be “gang related” will not be tolerated at school or at any school activity regardless of the location of the activity. This includes, but is not limited to: articles of clothing,

hand signs, graffiti, and any other behaviors considered by the administration to interfere with the educational program of the school.

### **Harassment**

The district believes that all students learn best in an environment free from dating violence, discrimination, harassment, and retaliation and that their welfare is best served when they are free from this prohibited conduct while attending school.

Harassment is chronically annoying, aggressive or intimidating behavior towards another individual. Scholars must not engage in harassing behavior directed toward another scholar. Scholars are expected to treat other students and district employees with courtesy and respect, to avoid behaviors known to be offensive, and to stop those behaviors when asked or told to stop. No person shall engage in any verbal, sexual, or physical conduct that would tend to cause disruption of the educational setting or school activity; or would harass, threaten, attack, injure, or intimidate any other person. The full dating violence policy is available in the office upon request.

The school encourages parental and scholar support in its efforts to address and prevent harassment in any form in schools. Any scholar who believes that he or she has experienced dating violence, discrimination, harassment, or retaliation are encouraged to discuss their questions or concerns about the expectations in this area with a teacher or with their Principal. The report may be made by the scholar’s parent.

A scholar who believes he or she has been harassed by another scholar or by school staff is encouraged to report in writing the incident to the Principal. This report may be made anonymously. The allegations will be investigated and addressed. A substantiated complaint against a scholar will result in appropriate disciplinary action, according to the nature of the offense and the Scholar Code of Conduct.

The scholar or a parent may appeal the decision of the Principal in accordance with the school grievance procedure (see “Scholar or Parent Complaints and Concerns”).

## **Harmful Drugs**

The use of “Harmful Drugs” poses a serious threat to the physical, psychological, and emotional health of individuals, their families, and their communities. In recognition of this fact, the school enforces this policy.

The term “Harmful Drugs” includes, but is not limited to, all those substances considered to be marijuana, dangerous drugs, narcotics, depressants, stimulant substances, controlled substances, and simulated controlled substances listed in the state and federal codes covering the possession, sale, and use of such controlled substances, drugs, and narcotics. The term also includes all forms and species of the plant substance known as marijuana as well as any abusable chemical substance used for inhalation such as glue, aerosol paint, thinners, etc.

Any scholar found to have had a Harmful Drug in his or her possession, or found to have been under the influence thereof while in school or while a participant in or spectator at a school-sponsored event, shall be subject to disciplinary penalties in accordance with the Scholar Code of Conduct. A scholar is considered “in possession” if he or she has contact with a Harmful Drug regardless of the amount of time it is in the scholar’s possession. If a scholar becomes in possession of a Harmful Drug, he or she needs to immediately inform an adult on campus. Those scholars involved in selling or distributing a Harmful Drug while in school or while a participant in or spectator at a school-sponsored event will be subject to disciplinary penalties in accordance with the Scholar Code of Conduct. Other sanctions may include completion of a drug rehabilitation program or referral for prosecution.

A scholar may not keep in his or her possession any medication, even medication for which he or she has a prescription (see “Medication Policies”). Failure to comply may result in Level II discipline. The only exception to this policy is doctor-prescribed asthma medication (see “Asthma and Anaphylaxis Medication”).

## **Hazing/Bullying**

Texas Laws prohibit scholars from engaging in, encouraging, aiding, or assisting in hazing or bullying. Hazing is defined as harassment,

humiliation, and/or embarrassment of other scholars, which may or may not include some physical abuse. Bullying is defined as written, verbal, or physical conduct that, in the judgment of the Principal, is sufficiently severe, persistent, or pervasive enough to create an intimidating, threatening, or abusive educational environment for the scholar and is harmful to a scholar or a scholar’s property. A scholar found to have engaged in, encouraged, aided, assisted in, or had knowledge of and failed to report a hazing or bullying incident will be subject to discipline.

## **Inappropriate Sexual Conduct**

Inappropriate sexual conduct encompasses any inappropriate, indecent, or offensive act that implies or involves contact of a sexual nature, and it will be subject to discipline.

## **Insensitivity to Others**

Inappropriate verbal or physical behavior that is motivated due to race, ethnicity, culture, gender, or disabilities will not be tolerated.

## **Interference with School Activities or Discipline**

Any scholar whose conduct, whether in class or out, materially and substantially interferes with school activities, school-sponsored functions (whether on public or private property), or school discipline, or invades the rights of school staff or other scholars, shall be subject to disciplinary penalties in accordance with the Scholar Code of Conduct.

“Conduct” includes, but is not limited to, the following activities:

1. preparing, circulating, or presenting petitions which interrupt the school day;
2. displaying on or about his or her person, books, materials, locker, or vehicle things such as symbols, arm bands, flags, pennants, signs, or other decorations that are related to violence and/or gangs; and
3. preparation, printing, publishing, or distributing any unauthorized publication, periodical, paper, pamphlet, magazine, or book.

## **School Property**

A good citizen, among other things, takes pride in the care of school property, realizing that the appearance of the building and campus is a credit or discredit to him or herself, as well as to the scholar body in general.

Any scholar found to have intentionally, knowingly, or recklessly damaged or destroyed school property shall be required to compensate the school for the full extent of the damage and shall be subject to disciplinary measures. Scholars found to have intentionally, knowingly, or recklessly damaged or destroyed school property may be refused admittance to school or school-sponsored functions until full restitution has been made for such damages.

### **Self Defense**

The privilege of self defense is limited. A claim of self defense in the use of physical force will not exempt a scholar from discipline when:

1. the scholar provokes, invites, or encourages the use of physical force by another person;
2. the scholar has an opportunity to avoid physical force or to inform school staff of the threatened use of force;
3. the scholar uses physical force after the other party abandons or attempts to abandon a fight or confrontation;
4. the scholar does not attempt to walk away from a confrontation; or
5. the scholar does not attempt to get help from school staff.

### **Sexual Harassment**

Scholars must not engage in unwanted and unwelcome verbal or physical conduct of a sexual nature directed toward another scholar or school staff. This prohibition applies whether the conduct is by word, gesture, or any other sexual conduct, including requests for sexual favors. All scholars are expected to treat other scholars and school staff with courtesy and respect, to avoid any behaviors known to be offensive, and to stop these behaviors when asked or told to stop.

The school will notify the parents of all scholars involved in sexual harassment by scholar(s) and will notify parents of any incident of sexual harassment or sexual abuse by school staff. To the greatest extent possible, complaints will be treated as confidential. Limited disclosure may be necessary to complete a thorough investigation.

A complaint alleging sexual harassment by another student or sexual harassment or sexual abuse by school staff may be presented in writing by a student and/or parent in a conference with the Campus Principal or designee or with the school Title IX Coordinator. Students who believe they are the subjects of sexual harassment by other students or school staff should report the incident immediately to a teacher, the Campus Principal, or the Title IX Coordinator. School staff members who receive complaints of sexual harassment are to report the matter as soon as practically possible to the Campus Principal, the Title IX Coordinator, or staff with the authority to undertake investigations of sexual harassment complaints.

For further information, please contact the Title IX Coordinator at 9701 Almeda Genoa Rd., Houston, TX 77075; 832.331.2460.

The scholar or parent may appeal the decision regarding the outcome of the investigation in accordance with Board Policy.

### **Telecommunications or Other Electronic Devices**

Scholars are prohibited from using a telecommunications device, including a cellular telephone or other electronic devices (unless otherwise issued by the school for the purpose of instruction), within a school building before or during school hours or on a school campus during school hours and devices are to remain off during the school day. Devices that are on and/or cause a disruption during the school day will be confiscated (this includes i-watches). The school will not be responsible for damage, loss, or theft of these items. Once a device has been taken up, the following procedure will be used to return the device:

1. First Confiscation: In addition to a consequence, the device can be picked up

by the scholar or parent no earlier than the end of the school day.

2. Second Confiscation: In addition to a consequence, the device can be picked up by the scholar or parent no earlier than the following school day.
3. Third Confiscation: In addition to a consequence, the device can be picked up by the scholar or parent no earlier than the following Monday.
4. Fourth Confiscation: In addition to a consequence the device will be kept for 30 days.
5. Fifth Confiscation: In addition to a consequence, the device will be kept until the end of the school year.

Any scholar refusing to give the device to school staff shall be subject to disciplinary penalties in accordance with the Scholar Code of Conduct. The campus is not responsible for damage that may occur to a confiscated device while awaiting pick up from a scholar or parent.

Principals shall have the discretion to determine the appropriate use of phones for scholars participating in extracurricular activities while on school property or while attending school sponsored or school-related activities on or off school property.

### **Threats**

Oral or written threats to cause harm or bodily injury to another scholar, an employee, or school property, including threats made using the Internet or other computer resources at school will not be tolerated.

### **Tobacco-Free School Notice**

All scholars are prohibited from possessing or using any type of tobacco product, electronic cigarette (e-cigarette), or any form of smokeless tobacco or electronic vapor product while in school buildings, vehicles, or on or near school property, or at school-related or school-sanctioned events off school property. Student violators are subject to possible prosecution, as allowed by law, as well as the disciplinary terms of the Student Code of Conduct.

Tobacco products, matches, lighters, etc., are not permitted at school or at school-related

functions. A scholar is considered "in possession" if he or she has contact with tobacco or tobacco products, regardless of the amount of time it is in the scholar's possession. If a scholar becomes in possession of tobacco or a tobacco product or e-cigarettes or vaping products, he or she needs to immediately inform an adult on campus.

A scholar shall not possess, exhibit, use or threaten to exhibit or use any firearm, explosive weapons, knife, or materials that could be used as a weapon to inflict physical harm or damage to persons or property on school property or at any school-related function, whether on or off school property. A scholar is considered "in possession" if he or she has contact with a weapon regardless of the amount of time it is in the scholar's possession. If a scholar becomes in possession of a weapon, he or she needs to immediately inform an adult on campus. Weapons include, but are not limited to:

1. Firearm: any device designed, made, or adapted to expel a projectile through a barrel by using the energy generated by an explosion or burning substance or any device readily convertible to that use;

### **Conferences, Hearings, and Appeals**

All scholars are entitled to conferences, hearings, and/or appeals of disciplinary matters as provided by state and federal law and school policy. See Scholar and Parent Complaint and Concern Policy.

### **Suspension Process**

In addition to the above list of Scholar Code of Conduct violations, an Administrator has the authority to suspend a scholar for any of the following additional reasons:

1. the need to further investigate an incident,
2. a recommendation to expel the scholar, or
3. an emergency constituting endangerment to health or safety.

#### **Prerequisites to Suspension**

Prior to suspending a scholar, an Administrator, or appointee, must attempt to hold an informal conference with the scholar to:

1. notify the scholar of the accusations against him or her,
2. allow the scholar to relate his or her version of the incident, and
3. determine whether the scholar's conduct warrants suspension.

#### **Notification to Parents**

If an Administrator determines the scholar's conduct warrants suspension during the school day, the Administrator will make reasonable effort to notify the scholar's parents that the scholar has been suspended before the scholar is sent home. The Administrator, or appointee, will notify a suspended scholar's parents of the period of suspension and the grounds for the suspension. Should parent/guardian require further discussion, a meeting should be scheduled with administration through the school office.

### **Credit during Suspension**

A scholar shall receive credit for work missed during the period of suspension if the scholar makes up work missed during the period of suspension within the same number of school days the scholar was absent on suspension.

### **Expulsion Process**

#### **Hearing**

Scholars alleged to have committed an expellable offense will receive a hearing before the Principal or designee within a reasonable time following the alleged misconduct. Prior to the hearing, the school will send a written notice to the scholar and the scholar's parents, including:

1. the basis for the proposed expulsion;
2. the date, time, and location of the hearing; and
3. the right of the scholar, at the hearing, to:
  - a. be present;
  - b. be accompanied by his or her parents;
  - c. be represented by any adult representative, including legal counsel;
  - d. present evidence, call witnesses, and testify; and
  - e. be informed of the school's evidence.

After making a good faith effort to inform the scholar and the scholar's parents of the time and place of the hearing, the school shall hold the hearing regardless of whether the scholar, the scholar's parents, or another adult representing the scholar attends. The Principal shall audio record the hearing.

#### **Expulsion Order**

Within seven days following the hearing on expulsion, the Principal or designee will notify the scholar and the scholar's parents in writing of his or her decision. If the outcome of the expulsion hearing is that the scholar will be expelled, the Principal will enter an expulsion order and provide a copy to the scholar and the scholar's parents specifying:

1. the length of the expulsion;

2. the procedures for re-admittance at the end of the expulsion period, if applicable; and
3. the right to appeal the Principal's decision.

The notice shall also state that failure to timely request such a hearing constitutes a waiver of further rights in the matter.

### **Appeals**

The scholar or a parent may appeal the decision of the Principal or designee in accordance with the school grievance procedure (see "Scholar or Parent Complaints and Concerns").

Discipline consequences will not be deferred pending the outcome of an appeal of an expulsion.

### **Effect of Scholar Withdrawal**

If a scholar withdraws from the school before the expulsion hearing is conducted or an expulsion order is entered, the school may continue with the proceedings and enter an order. If the school fails to enter an expulsion order after the scholar withdraws, the next district in which the scholar enrolls may complete the proceedings and enter an order.

### **No Credit Earned**

Except when required by law, scholars will not earn academic credit during a period of expulsion.

### **Suspension/Expulsion Requirements for Special Education**

A scholar with a disability shall not be excluded from his or her current placement pending appeal to the Board of Trustees for more than ten days without ARD Committee action to determine appropriate services in the interim. Pending appeal to a special education hearing officer, unless the school and parents agree otherwise, a scholar with a disability shall remain in the present education setting.

### **Emergency Removal**

If an Administrator reasonably believes a scholar's behavior is so unruly, disruptive, or

abusive that it seriously interferes with a teacher's ability to communicate effectively with scholars in a class, with the ability of a scholar's classmates to learn, or with the operation of the school or a school-sponsored activity, the Administrator may order immediate removal of the scholar.

Immediate suspension may be imposed by an Administrator or designee if they reasonably believe such action is necessary to protect persons or property from imminent harm. At the time of such an emergency removal, the scholar will be given verbal notice of the reason for the action and appropriate hearings will be scheduled within a reasonable time after the emergency removal.

### **Placement of Scholars with Disabilities**

All disciplinary actions regarding scholars with disabilities shall be conducted in accordance with the most current federal and state laws.

### **Administrative Withdrawal**

If at any point the scholar does not fulfill his/her responsibilities (e.g. completing classwork or homework, participating in class, and/or following the scholar code of conduct), the Beta administration reserves the right to administratively withdraw the scholar. Parents will be notified via conference or phone call should the scholar reach this level.

# SECTION V

## PARENTAL RIGHTS

### **Surveys and Activities**

Scholars will not be required to participate without parental consent in any survey, analysis, or evaluation—funded in whole or in part by the U.S. Department of Education—that concerns:

3. sexual behavior or attitudes;
4. illegal, antisocial, self-incriminating or demeaning behavior;

7. religious practices, affiliations, or beliefs of the scholar or parents; or
8. income, except when the information is required by law and will be used to determine the scholar’s eligibility to participate in a special program or to receive financial assistance under such a program.

Parents will be able to inspect the survey or other instrument and any instructional materials used in connection with such a survey, analysis, or evaluation.

### **“Opting Out” of Surveys and Activities**

Parents have a right to receive notice of and deny permission for their scholar’s participation in:

1. any survey concerning the private information listed above, regardless of funding;
2. school activities involving the collection, disclosure, or use of personal information gathered from their scholar for the purpose of marketing or selling that information;

3. any non-emergency, invasive physical examination, or screening required as a condition of attendance, administered and scheduled by the school in advance

and not necessary to protect the immediate health and safety of the scholar (exceptions are hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under state law).

### **Excusing a Scholar from Reciting a Portion of the Declaration of Independence**

Parents may request that their scholar be excused from recitation of a portion of the Declaration of Independence. State law requires that scholars in social studies classes in grades 3-12 recite a portion of the text of the Declaration of Independence during Celebrate Freedom Week unless:

1. the parent provides a written statement requesting that their scholar be excused,
2. the school determines that the scholar has a conscientious objection to the recitation, or
3. the parent is a representative of a foreign government to whom the United States government extends diplomatic immunity.

### **Requesting Professional Qualifications of Teachers and Staff**

Parents may submit a request for information regarding the professional qualifications of their scholar’s teachers, including:

1. whether a teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. whether the teacher has an emergency permit or other provisional status for which state requirements have been waived; and
3. undergraduate and graduate degree majors, graduate certifications, and the

field of study of the certification or degree.

Parents also have the right to request information about the qualifications of any paraprofessional who may provide services to their scholar.

# APPENDIX

## **Annual Notice of Parent and Scholar Rights (Annual FERPA Confidentiality Notice)**

The Family Educational Rights and Privacy Act (“FERPA”) affords parents and scholars who are 18 years of age or older (“eligible scholars”) certain rights with respect to the scholar’s educational records. These rights are:

### **The Right to Inspect and Review**

Parents or eligible scholars have the right to inspect and review the scholar’s educational records within 45 days of the day the school receives a request for access. Parents or eligible scholars should submit to the Principal a written request that identifies the record(s) they wish to inspect. The school will make arrangements for access and notify the parent or eligible scholar of the time and place where the records may be inspected.

If circumstances effectively prevent the parent or eligible scholar from exercising the right to inspect and review the scholar’s educational records, the school shall provide the parent or eligible scholar with a copy of the records requested or make arrangements for the parent or eligible scholar to inspect and review the requested records.

The school shall not destroy any educational records if there is an outstanding request to inspect and review the records under this section. The school may charge a fee for a copy of an education record that is made for the parent or eligible scholar, unless the imposition of a fee effectively prevents a parent or eligible scholar from exercising the right to inspect and review the scholar’s education records. The school will not charge a fee to search for or to retrieve the scholar’s educational records.

If the scholar’s educational records contain information on more than one scholar, the parent or eligible scholar may inspect and review or be

informed of only the specific information about that scholar.

### **The Right to Seek Amendment of the Scholar’s Educational Records**

Parents or eligible scholars may ask the school to amend a record that they believe is inaccurate, misleading, or in violation of the scholar’s privacy rights. Parents or eligible scholars should submit to the Principal a written request that clearly identifies the part of the record they want changed, and specifies why it is inaccurate, misleading, or in violation of the scholar’s privacy rights. The school will decide whether to amend the record as requested within a reasonable time after the school receives the request. If the school decides not to amend the record as requested by the parent or eligible scholar, the school will notify the parent or eligible scholar of the decision and advise them of their right to a hearing to challenge the content of the scholar’s education records on the grounds that the information contained in the educational records is inaccurate, misleading, or in violation of the scholar’s privacy rights.

If, as a result of the hearing, the school decides that the information is inaccurate, misleading, or otherwise in violation of the scholar’s privacy rights, it shall amend the record accordingly and inform the parent or eligible scholar of the amendment in writing. If, as a result of the hearing, the school decides that the information in the educational record is not inaccurate, misleading, or in violation of the scholar’s privacy rights, it shall inform the parent or eligible scholar of the right to place a statement in the record commenting on the contested information in the record or stating why he or she disagrees with the decision of the school, or both. If the school places an amended statement in the scholar’s educational records, the school is obligated to maintain the amended statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

Phone: 1.800.872.5327

A complaint must contain specific allegations of fact giving reasonable cause to believe that a FERPA violation has occurred. A complaint does not have to allege that a violation is based on the school's policy or practice.

The Office investigates a timely complaint filed by a parent or eligible scholar, or conducts its own investigation when no complaint has been filed or a complaint has been withdrawn, to determine whether the school has failed to comply with FERPA. If the Office determines that the school has failed to comply with FERPA, it may also determine whether the failure to comply is based on the school's policy or practice.

A timely complaint is defined as an allegation of a FERPA violation that is submitted to the Office within 180 days of the date of the alleged violation or of the date that the complainant knew or reasonably should have known of the alleged violation. The Office may extend the time limit for good cause shown.

### Vandalism

Vandalism is prohibited and will result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm, disrupt, or destroy data of another user of the school's network, or any of the agencies or other networks that are connected to the Internet. This includes, but is not limited to, the uploading or creating of computer viruses. Any of these actions may be viewed as violations of school policy, administrative regulations and, possibly, as criminal activity under applicable state and federal laws. Violations of law may result in criminal prosecution as well as disciplinary action by the school.

### **Electronic Communication Device Commitment Policy**

Electronic communications at school and at school-related functions are subject to regulation by the school.

This Electronic Communication Device Commitment policy grants authority and permission to the school to regulate electronic communication devices when these devices are brought to and/or used while on school property or when attending school related functions and events. Such communication devices include, but are not limited to cell phones, iwatches, pagers, PDAs, and pocket computers. These regulations are made necessary in light of the unique opportunities these devices create for violations of law, school policies, and to perpetrate conduct disruptive of an educational environment essential to the school's educational program. These concerns are exacerbated by electronic security protections and the personal size of these

devices which are often carried concealed in pockets and purses.

Therefore, all scholars who would possess or use such devices on school property or at school-related activities, together with their parent, agree to the following:

1. The possession and use of cell phones, iwatches, pagers, PDAs, and other electronic communication devices by a scholar on school property or at school-related events is a privilege and not a right.
2. In consideration for the privilege to possess and use such devices on school property and at school-related events, the school is authorized and has the scholar's full consent to confiscate, power on or off, manipulate and do all things necessary to search his or her device and recover or intercept communications (including but not limited to text messaging) when reasonable suspicion arises that such device has been used to transmit or receive communications in violation of law, the Scholar Code of Conduct, school policy, or school regulation.
3. An electronic communication device used or possessed in violation of law, the Scholar Code of Conduct, school policy, or school regulations is subject to confiscation and may cause the loss of the privilege to possess and use such devices on school property and at school-related events for an indefinite period of time.

### **Scholar or Parent Complaints and Concerns**

The purpose of this policy is to secure, at the lowest possible administrative level, prompt and equitable resolution of scholar or parent complaints and/or concerns. Usually, scholar or parent complaints can be resolved simply by an informal phone call or conference with the teacher or Principal who is the subject of the complaint. Generally, should the complaint involve a problem with a teacher, the scholar or parent is expected to discuss the matter with the teacher before requesting a conference with the Principal. For those complaints that cannot be handled informally, the school has adopted the following grievance policy.

Complaints regarding certain topics are addressed by specific policies or other documents that modify this complaint process or require an alternative process.

### **Definitions**

For the purposes of this policy, “days” shall mean calendar days.

For the purposes of this policy, “parent” shall mean a person standing in parental relation, but does not include a person as to whom the parent-child relationship has been terminated or a person not entitled to possession of or access to a child under a court order. Except as provided by federal law, all rights of a parent under Education Code Title 2 and all educational rights under Family Code 151.003(a)(10) shall be exercised by a scholar who is 18 years of age or older or whose disabilities of minority have been removed for general purposes under Family Code Chapter 31, unless the scholar has been determined to be incompetent or the scholar’s rights have been otherwise restricted by a court order.

### **Level One**

A scholar or parent who has a complaint that could not be resolved must

1. first meet with the teacher. If the complaint cannot be resolved, then the scholar or parent should
2. request a conference with the teacher(s) of the scholar and an Assistant Principal or designee of the school by filing the complaint in writing on a form provided by the school.

The form must be filed with the school office within seven days of the time the scholar or parent knew, or should have known, of the event or series of events about which the scholar or parent is complaining. Copies of any documents that support the complaint should be attached to the complaint form. If the scholar or parent does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted unless the scholar or parent did not know the documents existed before the Level One conference. A complaint form that is incomplete in any material way may be dismissed, but may be

re-filed with all the requested information if the re-filing is within the designated time for filing a complaint.

The teacher(s) of the scholar and an Assistant Principal or designee of the school will hold a conference with the scholar or parent within seven days of the request. The seven-day timeframe for holding the Level One conference may be extended if mutually agreed to by both the scholar and parent, the teacher(s) of the scholar, and an Assistant Principal or designee of the school. An adult may represent a scholar at this and any level of the complaint.

The teacher(s) of the scholar and an Assistant Principal or designee of the school have seven days following the Level One conference within which to respond. Announcement of a decision in the scholar’s or parent’s presence shall constitute communication of the decision.

The Principal or designee shall have seven days following the Level Two conference within which to respond. Announcement of a decision in the scholar's or parent's presence shall constitute communication of the decision.

### **Level Three**

If the outcome of the Level Two conference with the Principal is not to the scholar's or parent's satisfaction or the time for a response has expired, the scholar or parent may appeal the Level Two decision to Executive Director of Instruction or designee by filing the appeal notice in writing on a form provided by the school. The appeal notice must include a copy of the Level One complaint; a copy of the Level Two appeal notice; a copy of the Level One and Level Two decisions being appealed (if applicable); and a copy of any documents presented at the Level One and Level Two conferences.

The appeal notice must be postmarked to the following address within three days following receipt of a response or, if no response is received, within seven days of the response deadline:

Beta Academy  
Complaint: Level Three  
Attn: Human Resources Department  
9701 Almeda Genoa Rd.  
Houston, TX 77075

The Executive Director of Instruction or designee shall hold a conference with the scholar or parent within seven days of the appeal notice. The seven-day timeframe for holding the Level Three conference may be extended if mutually

agreed to by both the scholar or parent and the Executive Director of Instruction or designee.

The Executive Director of Instruction or designee shall have seven days following the Level Three conference within which to respond. Announcement of a decision in the scholar's or parent's presence shall constitute communication of the decision.

### **Level Four**

If the outcome of the Level Three conference with the Executive Director of Instruction is not to the scholar's or parent's satisfaction or the time for a response has expired, the scholar or parent may appeal the Level Three decision to the Superintendent or designee by filing the appeal notice in writing on a form provided by the school. The appeal notice must include a copy of the Level One complaint; a copy of the Level Two and Level Three appeal notices; a copy of the Level One, Level Two, and Level Three decisions being appealed (if applicable); and a copy of any documents presented at the Level One, Level Two, and Level Three conferences.

The appeal notice must be postmarked to the following address within three days following receipt of a response or, if no response is received, within seven days of the response deadline:

Attn: Human Resources Department  
9701 Almeda Genoa Rd.  
Houston, TX 77075

The Superintendent or designee shall hold a conference with the scholar or parent within seven days of the appeal notice. The seven-day timeframe for holding the Level Four conference may be extended if mutually agreed to by both the scholar or parent and the Superintendent or designee.

The Superintendent or designee shall have seven days following the Level Four conference within which to respond. Announcement of a decision in the scholar's or parent's presence shall constitute communication of the decision.

### **Level Five**

If the outcome of the Level Five conference with the Superintendent or designee is not to the scholar's or parent's satisfaction or the time for a response has expired, the scholar or parent may appeal the Level Four decision to the Board of Trustees by filing the appeal notice in writing on a form provided by the school. The appeal notice must include a copy of the Level One complaint; a copy of the Level Two, Level Three, and Level Four appeal notices; a copy of the Level One, Level Two, Level Three, and Level Four decisions being appealed (if applicable); and a copy of any documents presented at the Level One, Level Two, Level Three, and Level Four conferences.

The appeal notice must be postmarked to the following address within three days following receipt of a response or, if no response is received, within seven days of the response deadline:

Beta Academy  
Complaint: Level Five  
Attn: Human Resources Department  
9701 Almeda Genoa Rd.  
Houston, TX 77075

The appeal will then be placed on the agenda of a future Board meeting. The Superintendent or designee shall inform the scholar or parent of the date, time, and place of the meeting.

The Board of Trustees is not required to consider documentation not previously submitted or issues not previously presented. The presiding officer may set reasonable time limits. The Board of Trustees shall hear the complaint in a closed meeting to protect the individual's confidentiality and may request a response from the school. The school shall make an audiotape record of the Level Five proceedings before the Board of Trustees. The Board of Trustees shall then make and communicate its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If for any reason the Board of Trustees fails to reach a decision regarding the complaint by the end of the next regularly scheduled Board meeting, the lack of a response by the Board of Trustees upholds the decision at Level Four.

If the complaint involves concerns or charges regarding an employee, it shall be heard by the Board of Trustees in closed meeting unless the

employee to whom the complaint pertains requests that it be heard in public.

### **Consolidation of Complaints**

When the school determines, in its sole discretion, that two or more individual complaints are sufficiently similar in nature and remedy to permit their resolution through one proceeding, the complaints may be consolidated.

### **Modification of Procedures**

The Superintendent may, at her sole discretion, modify this complaint process or require an alternative process, so long as the Board of Trustees retains final authority to hear and decide complaints and concerns brought hereunder.

Dear Parent,

A safe, orderly school is essential to scholar learning. The importance of that kind of an environment has been a long-standing value of this school. That environment promotes a positive school climate and high expectations for both behavior and learning.

This Handbook is published to outline those expectations. We want to assure and protect the rights of all scholars to a safe, orderly, and educationally efficient environment. If we can free the school from disruptions that result from inappropriate behavior and appearance, we seek to do so. We solicit your support and cooperation in a partnership which provides the best possible learning environment for your scholar.

This Handbook, including the Scholar Code of Conduct, has been developed through the cooperative efforts of our school community.
